

ON-STREET PARKING

OBJECTIVE

On-street parking is often desired in residential and commercial areas for its convenient access to street front entrances. Residents, shoppers, and businesses are amenable to limited slowing of traffic as a trade-off for the economic benefits of on-street parking.

ON-STREET PARKING GOALS

1

Maximize on-street parking.

2

Directly serve adjacent street front entrances with on-street parking.

3

Create a buffer between pedestrians and the roadway.

4

Comply with applicable governmental regulations for all parking in the public right of way.
